Department of Bengali Programme Outcome of the Post Graduate Course (CBCS)

- PO1 **Disciplinary Knowledge:** Ability to understand and make sense of the courses in the postgraduate programme (Bengali language and literature) that are in the same field or linked to other fields.
- PO2 **Communication Skills:** The study of Bengali language and literature will improve students' abilities to express themselves articulately, read and write critically, and present information in a variety of contexts.
- PO3 **Critical Thinking:** Throughout the study of Bengali literature, one can learn to apply analytical thought, examine, and critically assess ideas using methodologies and theories.
- PO4 **Creativity:** Bengali literature, including novels, short stories, and poems, encourages creative thinking and the expression of any thought.
- PO5 **Problem Solving:** The ability to derive conclusions from what has been learned, apply one's competences to solve a variety of unknown problems, and adapt one's learning to real-life situations is one of the benefits of studying Bengali literature.
- PO6 **Analytical Reasoning:** Ability to assess the dependability and importance of literary works, acknowledge logical errors and weaknesses in other arguments, develop acceptable conclusions, and discuss opposing positions.
- PO7 **Research-Related Skills:** Reading works written in Bengali can help you cultivate a spirit of inquiry and improve your problem-solving, synthesis, and communication skills.
- PO8 **Cooperation/Team Work/ Leadership Readiness:** Ability to work effectively with others and cooperate or coordinate group efforts, fostered in part by our curriculum's emphasis on Bengali theatre.
- PO9 **Information/Digital Literacy:** Capacity to use ICT in a range of educational settings, including accessing and making use of a wide range of relevant information sources.
- PO10 **Moral And Ethical Awareness/Reasoning:** The ability to live ethically, discussion logically, and rely on principles of integrity in all aspects of one's profession. Capable of identifying ethical issues in one's work, avoiding unethical behaviour such as data fabrication, falsification, or misrepresentation, plagiarism, failing to adhere to intellectual property rights, appreciating environmental and sustainability issues, and acting objectively, impartially, and truthfully in all aspects of work.
