

Lesson Plan for Course: B.A. Sanskrit (Programme) Code: SANGCOR01T Credit 6

- Course coordinator : Dr. Arindam Mandal

Course Objectives:

Undergraduate students of Sanskrit have the chance to learn about India's ancient history, which has grown over the last four thousand years and has had an indescribable effect on Indian life and culture. The goal of the show was to give people hope and make their lives better.

The main goal of the six semesters graduation study in Sanskrit is to show Indian students the most important parts of their cultural heritage that are written down in Sanskrit texts.

The syllabus for the three-year B.A. General Course (1+1+1 system) in Sanskrit consists of four papers. After successfully completing the course, students should be able to accomplish the following goals:

- Course Outcome:**

- ✓ CO1: The purpose of this paper is to enrich students with the works of the famous poet Kālidāsa. Students would be familiar with the literary style and social structure reflected in these famous epics.
- ✓ CO2: Through a few verses from Vartṭhari's Nītiśatakam, the course is meant to teach students about morality and ethics.
